Homework #2

Extend your solution to HW1 by making the following changes:

- Pressing the "Make Order" button will no longer show a Toast. Instead, it will switch to a new "Order Send" activity.
  - The new activity should look like that:

![Your order has been sent!](image)

- Add a landscape layout to your app.
  - The landscape layout is different from the portrait layout and should look like that:

![Sheep order form](image)

- Apply the Holo theme to your app.
  - Theme name is "android:Theme.Holo"
  - Read here for information on styles and how to apply them: [http://developer.android.com/guide/topics/ui/themes.html](http://developer.android.com/guide/topics/ui/themes.html)
